AIR MAIL FOR AND FROM ALASKA

Air-mail articles to be carried in either direction by the air-mail route between Juneau and Fairbanks, Alaska, via White Horse, shall be prepaid at the rate of 6 cents per ounce or fraction. Articles so prepaid shall also be dispatched by the domestic air-mail routes in the United States where advantageous, as well as the local routes in Alaska.

AIR MAIL IN THE UNITED STATES ONLY, FOR ARTICLES ADDRESSED TO FOREIGN COUNTRIES

Articles for any foreign country except Canada will be forwarded by air to the appropriate United States coast or border exchange office and thence by the ordinary means to destination, if prepaid 3 cents per ounce or fraction in addition to the regular postage. However, in all cases a total postage of at least 6 cents per ounce or fraction must be prepaid. The articles should be plainly marked on the address side "By Air in U. S. A. to Exchange Office." This rate does not provide for air dispatch within any foreign country.

PART 2.—AIR-MAIL SERVICE IN EUROPE

Fee, 3 cents per ½-ounce (plus postage)

There is regular air-mail service from London and Paris to other principal cities of Europe. Articles from this country are sent for air dispatch to London or Paris, whichever will furnish the quickest connections, depending on the first port of arrival of the conveying steamship.

The air-mail fee of 3 cents per half-ounce provides for all the European air-mail service available to any destination. This fee must be prepaid in addition to the ordinary postage if air dispatch in this country is not desired. If air dispatch to New York is desired also, the rate of 3 cents per ounce must be prepaid in addition (minimum postage exclusive of European air-mail fee on any article, 6 cents per ounce).

To insure air dispatch in Europe, the articles should bear a blue "Par Avion/By Air Mail" label on the address side, and be marked "In Europe" underneath the label.

There are indicated below the particulars of the air-mail service from London or Paris to European countries:
